Hockmeyer Equipment is looking for a **Welder/Fabricator** for FT employment to join our team in Elizabeth City, NC!

The Welder will weld, cut, and braze metal pieces and products using flame-cutting and hand welding equipment.

Responsibilities

- Experience with MIG, TIG, and Stick welding
- Repairs and fabricates various items and equipment using cutting, burning, and welding techniques and equipment.
- Ability to make clean welds on various materials, carbon steel and stainless steel.
- Prepares, assembles, and tack weld parts and surfaces to be welded.
- Maintains, organizes, and cleans equipment and work area.

Qualifications and skills:

- Basic understanding of design techniques, principles, and tools necessary for the precise production of equipment.
- Must have enough manual dexterity and stability required for precision work.
- Must be mechanically inclined.
- Must have tools commonly used for welding.
- Required to operate all equipment safely and can lift to 50 lbs.
- Work hours: Monday – Friday 6:00 a.m. – 2:15 p.m. plus, OT.

Successful completion of Welding Technology Program preferred.

If you have a great work ethic, take pride in your work and are looking for more than just a job. Forward your resume to: humanresources@hockmeyer.com for a career opportunity with our company. We want to speak to you!
